

REBIRTH OF THE BARN

WE INVITE YOU TO BE PART OF A BARN
RAISING BEE... YOUR DONATION WILL
IGNITE NEW OPPORTUNITIES FOR
YOUNG PEOPLE

CLEARWATER
FARM

Willow Beach, Georgia

A place in harmony with the
environment, where children are
key to our spirit and identity.

EXPERIENTIAL EDUCATION • ECO-FARMING • ECONOMIC DEVELOPMENT • WATER CONSERVATION

A New Barn and a Barnyard

The 112-year-old barn at ClearWater Farm that burned to the ground in October 2016 has been redesigned using the ideas of young people. It is now ready to be rebuilt as a four season touchstone for school groups and youth activities, a spectacular events venue and a gathering space that will bring joy to the whole community.

**Innovative Activity Spaces where Kids Can Learn and Grow.
D dreamed up for kids by kids.**

We are on our way! The goal: \$1.9 million.

With insurance and grants, we are ¼ of the way there.
Georgina's insurance will provide base funding.
Now we are seeking donations and sponsorships from
everyone who wants to help create a better future.

ClearWater Farm is a flagship initiative of the Ontario Water Centre, an educational organization with charitable status, nurturing the connections between land, water, local food, health and prospering communities.

For more information and a pledge form go to www.ClearWaterFarmInfo.ca or contact **Jennifer Harrison:** jennifer@ontariowatercentre.ca or any member of the barn-raising committee.
